

At the Department of Economics of the University of St.Gallen a new

ASSISTANT/Ph.D. POSITION in FINANCIAL ECONOMETRICS

will be filled starting at the earliest day possible.

The position is part of the **Chair of Financial Econometrics** held by Prof. Dr. Matthias Fengler. The candidates for this position are expected to start a Ph.D. in Economics and Finance (PEF) at the University of St.Gallen (<http://www.pef.unisg.ch>).

The position is part of the research team in Financial Econometrics at the Faculty of Mathematics and Statistics of the University of St.Gallen (<http://www.mathstat.unisg.ch>). Therefore a strong interest in theoretical and empirical topics of Finance and Economics as well as a strong background in quantitative methods are expected (see also Prof. M. Fengler's website <https://mathstat.unisg.ch/en/chairs/financiaeconometrics/>).

Applications for the position should be sent by e-mail to **Dr. Margit Albers** (mathstat@unisg.ch) no later than **July 27th, 2019**. Essential: For a prior check whether your academic CV is compatible with the University's admission regulations please contact: zulassung@unisg.ch or admissions@unisg.ch.

Candidate Profile:

- Master's degree in Economics or in Finance (good knowledge in Econometrics or Statistics is essential); or: Master's degree in Mathematics or in Statistics (good knowledge in Economics and Finance is essential).
- Willingness to write a Ph.D. in Economics and Finance at the University of St.Gallen (<http://www.pef.unisg.ch>).
- Strong interest in Financial Statistics and Econometrics.
- Interest in Big Data applications.

The application package must contain:

- Motivation letter
- Complete Curriculum vitae
- Two letters of recommendation sent by two authors to mathstat@unisg.ch
- Transcripts.
